*M: Maintained.

For black version, add "N" at the end of the reference. Luminous flux decreases by 18% in black colour version.

Wall mounted

Recessed mounted

Ceiling mounted

180° adaptable

Its specific design makes it an exign sign adaptable to any position on the surface where it is installed: ceiling, wall or sloping ceiling.

The banner is made of a very innovative self-diffusing material that provides a perfect and uniform diffusion of light.

It is supplied with a complete set of pictograms

1 unit x EEP407

1 unit x EEP408

2 units x EEP409

1 unit x EEP406 (white)

Alya range is a disruptive concept in emergency lighting luminaires

Alya was designed to be small, compact and flat, whilst still very efficient and powerful.

This is thanks to the design of a specific lens for emergency lighting specially carried out by Zemper. The light distribution of the Alya is exactly what emergency lighting needs.

Alya

Alya family is composed of three types of luminaires:

· **Alya:** Luminaire to be used in surface and recessed ceiling mounted.

· **Walya:** Wall mounted luminaire

· **Exitalya:** Luminaire specially designed as exit sign which can be adapted to any position or ceiling

ALYA RANGE
